**FOR IMMEDIATE RELEASE**

**Wyffels Hybrids Names Ethan Earlywine as District Sales Manager**

**GENESEO, III.** (December 31, 2018) — Ethan Earlywine has been named a district sales manager for Wyffels Hybrids. He will work directly with corn growers in Mills and Fremont counties in Iowa, helping place superior genetics with the most advanced traits on their farms, while working to build a team of Wyffels Seed Representatives. Earlywine is a graduate of Iowa State University where he studied agricultural business and agronomy. He most recently worked as a sales account manager for LG Seeds and brings seed sales and agronomy experience to his new role.

“Through growing up and helping on his family’s farm, Ethan has developed a great knowledge and passion for this industry,” said Matt Bashor, Region Manager. “He understands the importance of putting the needs of our customers first, and is committed to helping farmers be successful. I have great confidence in Ethan and I look forward to watching him serve our new and current customers in western Iowa.”

**About Wyffels Hybrids**

In 1946, was established with a vision to produce seed that could help friends and neighbors be more successful. That promise has resulted in significant growth and opportunity as Wyffels continues to build a team of employees who share that vision for the seed business, and passion for serving customers.

Wyffels Hybrids, headquartered in Geneseo, Ill., is one of the nation’s largest independent seed corn companies. Focusing strictly on developing and marketing elite corn hybrids, the company is dedicated to providing corn growers in Illinois, Iowa, Southern Wisconsin, Southwestern Minnesota, Southeastern South Dakota and the Ohio River Valley with exceptional products, the latest agronomic information, and unmatched customer service and product support. To learn more or request information, visit [www.wyffels.com](http://www.wyffels.com) or call 1-800-369-7833.
